

Answers

elementary 4.

1. Toss a coin for the choice of goals.
Tell umpire who is goalie so that he knows who is allowed to kick.
Sometimes, if shot a man, one full-back kicks in the circle.
2. Opposing R. full-back.
3. A scork stroke is lifting the ball into the air. It is not dangerous.
4. No. Watch "push" stroke for "scork".
5. 10 or more yd. from nearest goal post.
6. 5 yd.

Hockey Questions

Elementary 5.

1. If you are taking a corner hit, must your feet be outside the field?
2. May the goal-keeper kneel down to stop the ball?
3. Is it good play to roll in when one of your own team is in the alley?
4. If a left wing runs outside the field, but manages to keep the ball in the field, what must the umpire do?
5. When you roll in, what should you remember?
6. When is a flick & push best most valuable at the time of a free hit?

Answers

Elementary 5.

1. No. Your feet may be anywhere, the ball on the line.
2. Good goal - keepers keep on their feet. She can kneel, but if she is kneeling when a forward is within reach of her, she fouls & a penalty kick is given against her.
3. No. Roll in must be given again & this delays game.
4. Nothing. It is not a foul.
5. The ball must touch field within 1 yd. Have stick & feet behind the sidelines. Don't roll until your team is out of the alley. Roll to different players.
6. When the free hit has been awarded just outside circle, when you are attacking. Deceive defense by a quick flick or push in an unexpected direction into a space, so that a forward can get her & shoot.

Hockey Questions:

Advanced 1.

1. If the goal-keeper makes a bad foul on the goal line and the umpire gives a penalty bully, who takes the bully for each team?
2. If a defender, when taking a free hit, swings over the ball and misses it, what award would you expect?
3. How can a forward be sure of not being off-side?
4. When the attacker taking a penalty corner makes "sticks", where may the defence take the free hit?
5. Can you take a penalty corner on either side of the goal you like?
6. If a full-back topped the ball when taking a free hit in the circle & then hit the ball again, what would happen?
7. A forward shoots & rushes her shot, the ball rebounds off the goal's shin guards & jumps up at the forward, rebounding off her body into the goal. What is awarded?

Answers

Advanced 1

1. In defending team, the goal-keeper who made the foul. In attacking team, anyone chosen by the Captain, usually the centre-forward.
2. She may hit again, if she hasn't made sticks. If she makes sticks, a free hit or penalty corner is awarded.
3. Keep behind the ball until it is hit, then run forward to get it.
4. Anywhere in the circle because a ball on the line is considered to be inside the circle.
5. Yes. But right wing usually takes it.
6. Penalty corner awarded by the umpire.
7. No goal. Free hit for defence because her body was used for more than stopping the ball.

Hockey Questions

Advanced 2.

1. Can you make "sticks" with the handle of your stick?
2. A forward shoots from the inside of the circle, ball was going off the field & not into the goal, but it hit a full-back's foot & went into the goal. What is it, goal or no goal?
3. At a corner, if a player stopped the ball & passed it to another player who took a flying shot, what would the umpire do?
4. May a half-back roll the ball into the field a few inches & then step into the field & hit it?
5. What power has the umpire over the player who continually raises the ball?
6. If a free hit is taken where a player is not 5 yd. away, what happens?

Answers

Advanced 2

1. Yes. If your handle rises above the shoulder you make sticks.
Watch for this when you volley a high ball.
2. It is a goal.
3. Let it go. It is not a foul unless she undercuts & raises the ball.
4. No. Not until another player has hit it first.
5. Umpire may call a foul on the player.
6. Same goes on unless.
 1. It is one of her own side.
 2. The person gets the ball.Then free hit must be taken again by the same side.

Hockey Questions.

Advanced.

1. When is extra time given in a hockey game?
2. What would happen if the goal-keeper dropped her stick, caught the ball in both hands + kicked it out of the circle?
3. If a forward, shooting at goal, breaks her stick + the head flies over the goal bar while the ball trickles into goal, should a goal be given?
4. If a player has tripped + fallen down, may she play the ball before getting up?
5. May you shoot for goal after a corner or penalty corner, when no attacker has stopped the ball?
6. If you catch the ball in the air + drop it immediately, may you hit it (if you can) before it reaches the ground?
7. Do you know what it means for an umpire to "hold the whistle".

Answers

Advanced 3

1. Only if a penalty bully was awarded + the whistle blew for half-time or time. Then penalty bully must be finished before game is over.
2. A penalty corner. It is a foul to interfere with the game without a stick. If goalie insists, umpire should award a penalty bully for a wilful foul.
3. No. A free hit for the defence, because she made sticks when her stick-head flew off.
4. Yes. If she doesn't use sticks or the round side of her stick.
5. Yes. If the ball has been touched by a defender, you may shoot on the fly.
6. Yes. Ball must be released at once, but can be hit before it reaches ground.
7. It means to wait, when you see a foul, + not whistle until you are sure that the foul has really hurt the opposing side.

Hockey Questions

Advanced 4.

1. If the R. Wing passed to the R. Inner + the Opposing L. Back struck at the ball missing it but making sticks, what should Umpire do?
2. At a corner hit, the ball was stopped + shot into the goal, but before it crossed the goal line the whistle blew for the end of the game?
3. What happens when the goal-keeper sits on the ball, and won't get up?
4. If a ball was shot from outside the circle and glanced off the leg of another attacker into the goal, what would the umpire fine?
5. If the R. Wing takes the corner hit + the R. Inner immediately passes the ball on to the Centre Forward, may the centre shoot without stopping the ball?
6. Forwards, when must you be most careful about off-side?
